NCUK International Year One

Start your Business or Engineering Bachelor's Degree in Cyprus and complete it in the UK!

Guaranteed access to hundreds of university degrees

The International Year One (IYOne) is a credit-bearing qualification that enables students to study the first year of an undergraduate degree at Mesarya Education House and upon successful completion, guaranteed access to the second year of a wide range of degree courses at NCUK Universities. The International Year One allows students to:

1.

Improve their academic English whilst benefitting from smaller class sizes

2.

Save thousands in tuition fee costs by studying in Cyprus for the first year of their degree

3.

Progress directly into 2nd year at leading universities

Students can choose to study the International Year One in Business or Engineering and can progress to hundreds of Business or Engineering degrees at NCUK Universities

NCUK Guaranteed Universities

Studying the International Year One provides students with a more cost-effective way of obtaining a full UK Bachelor's Degree, as well as the option to study in Australia!
